Refer to the product label or consult with chemical manufacturer for tank mix options.

*Application stages on labels may refer to leaf, node, or above-ground node stages

**Tank mix options may not be supported or registered for all products where multiple herbicides are listed.

There may be restrictions on label for rates, varieties, or soil types. Consult label or manufacturer for more detail. Always read and follow label directions. This information is only a guide, if label information differs, follow label instructions.
